History	Florence Nightingale	Year 2
----------------	-----------------------------	---------------

Vocabulary & Explanation

Crimean War - The war that Florence Nightingale served in.

Victorians- The Victorians were the people who lived during the reign of Queen Victoria, from the 20 June 1837 until the 22 January 1901.

Germs- Tiny living things that can cause illness. Germs are passed from one person to another.

Infection- An illness caused by spreading germs.

Medicines-Liquid or tablets that are given to sick people to make them better.

Patient- Someone who is ill or injured and who is being cared for.

Lady of the lamp-This was the name given to Florence as she would visit the wards at night carrying a lamp.

Red Cross - The award that was given to Florence for the amazing things she did.

Key Information

- Florence wanted to dedicate her life to look after others, so she became a nurse. Her parents were not happy about this.
- The Crimean war started in 1853. There were lots of wounded soldiers.
- The hospitals did not have many beds, no medicine and not enough food.
- Florence, with a group of nurses, travelled to the hospital.
- Florence helped to make the hospitals a better place for the soldiers.

Map

The hospital where Florence was sent to.

The war was mainly fought here.

Florence's birthplace.

- What I should already know**
- Guy Fawkes was a Military captain in the Spanish arm (link Florence Nightingale as a nurse in the Crimean war)
 - Knowledge from the people who help us topic in EY
 - Healthy lifestyle knowledge from science
 - Counties from around the world from Geography
