<p><u>What should I already know?</u></p> <ul style="list-style-type: none"> Some adults have a job That there are many different jobs available in the UK  <p><u>Key Skills</u></p> <ul style="list-style-type: none"> I will find out what a business is. I will know that jobs are sorted into sectors. I will find out about what jobs are available in the U.K. I will find out how people earn a living in other parts of the world. I will find out about how unemployment affects people and communities. 	<p>Key Information</p> <p>There are lots of different reasons why people have jobs. The main reason is to earn money. People need money to buy food, clothes, pay for a place to live and to support themselves and their families. Without money, it is difficult to survive. People also have to work so that the country can run properly. Without jobs there would be no schools, no shops, no banks, no cars, no computers, no hospitals and no restaurants.</p>	
<p><u>Vocabulary & Explanation</u></p> <p>Job – a paid position of regular employment.</p> <p>Business– a person's regular occupation, profession, or trade.</p> <p>Unemployment – when a person who is actively searching for employment is unable to find work.</p> <p>Earn – obtain (money) in return for labour or services.</p> <p>Healthcare – the organised provision of medical care to individuals or a community.</p> <p>Finance – the management of large amounts of money, especially by governments or large companies</p> <p>Manufacturing – the making of articles on a large scale using machinery; industrial production.</p> <p>Construction – the action of building something, typically a large structure.</p> <p>Retail – the sale of goods to the public in relatively small quantities for use or consumption rather than for resale.</p>	<p>Did you know?</p> <p>There are many different jobs that people can do depending on their skills.
