

The “School Run” can be a stressful time of day, whether you are walking, cycling or driving. Let’s work together to keep the stress at a minimum for ourselves as well as our neighbours. Most importantly let’s put safety first and be clear about what we can and cannot do on the School Run.

- The School promotes healthy living – we encourage walking, cycling and scooting – please supervise young children.
- Please keep the layby directly outside school as a drop off only zone - NO PARKING
- Only cars displaying Blue Badges may park within the school grounds.

- Please be careful parking and pulling away from school - children and cyclists can be hard to see.
- Please be aware of other cars, cyclists and pedestrians when opening car doors.
- Please be considerate to our neighbours – keep verges and driveways clear.
- Double parking can be dangerous and restrictive for other road users.
