Competitions

In Football so far we are doing very well in our matches. We are third in our league and even though we got knocked out of the Wix Cup we are very proud of how far we got. The first game we played in the Wix cup was against Breechwood Green and we won 9-0. Then in our next game we played Oughtonhead and we won 5-2. Then we played Samuel Lucas and unfortunately we lost 4-0. That's all but hopefully we can carry on playing well. By Oliver and Jake.
