

2ND HALF TERM PE NEWSLETTER!

Hello and welcome back to the sports newspaper. This half term we sadly haven't had any competitions but we have still been very busy.

In November, we held our sponsored fancy dress mile and raised a great amount for the school to help buy new playground equipment. Everyone dressed up in costumes and ran four laps of the field (one mile). We all had great fun and even the teachers dressed up too!

KS1 have been learning new dance and ball skills. They have been catching, kicking, throwing and dodging.

KS2 have been learning new dances. Y6 first did the New Zealand Haka dance then they did a Diversity style dance. Y5 did dances from different cultures, Y4 did water dances and Y3 did line dancing. For the KS2 outdoor PE, all classes did hockey. For the first few lessons, we practiced basic skills, then coming to the end of the term we did matches.

At break time, KS2 have enjoyed skipping and the Y5 girls have been getting into football. They are hoping for a girl's football club after Christmas.

We entered the virtual sports athletics competition last half term. KS1 and KS2 learnt the ball throw, standing jump and sprints while Year 5 and 6 also did long distance. Overall, OLS came 3rd. The boys team came 2nd and the girls came 7th. A big well done to the following children as they were entered into 3 events: Eli from Y1, William from Y4, Oisin from Y5 and Alanna, Aaron, Ronnie and Regan from Y6!

Thank you! Have a great Christmas and Happy New year!

See you next half term!
