

Minutes of ECO Council Meeting Date: 24th February 2014

Attendees:

Daniel & Eloise	YR ECO Missionaries
Nico & Scarlet	Y1 ECO Missionaries
Joseph & Rosa	Y2 ECO Missionaries
Joshua & Mollie	Y3 ECO Missionaries
Gianni & Oliver	Y4 ECO Missionaries
Dominic & Emma	Y5 ECO Missionaries
Maddie & Ben	Y6 ECO Missionaries
Mrs Brown	Head teacher
Mr Hollingdale	School Governor

At the beginning of the meeting Mr Hollingdale announced that we could have a waste awareness week. All the council wanted to take part. It will begin on the 17th March and it will end on the 21st March. We have put posters up around the school which say to stop putting recyclable rubbish in the bin, and to start using the 3 R's (Reduce, Reuse, Recycle). Mr Hollingdale will come in to show a power point to the whole school during an assembly. He will come in on the 18th March and the power point will be about Waste week. Emma and I will be going around the school and asking for people's pledges on what they will do in waste week.

Everyone is going to get a piece of family homework about not putting rubbish in the bin but recycling it.

We are still thinking about the bug hotel, and we are hoping to make one.

The solar panels have been big success; we are now saving more electricity than we ever have.
