

What an excellent start to the summer term so far. This term children from across the school have competed in lots of different competitions, and with many more coming up too. This term has been a very busy time for Year 3 & 4s and it's great to see them representing the school.

On the very first day back six Year 4's went to Highfield School for a sports festival where the children had the opportunity to try sports they had never done before.

The following week it was time for the speed stacking competition, 2 teams went along and did their best to get the quickest times, as well as team times, The children were also timed individually too. Well done to the B team coming 9<sup>th</sup> and the A team coming 5<sup>th</sup>.

Next was the Tri golf competition at the Letchworth golf club. Well done to all the children who came along, it was great to attend a new competition and I hope it has opened up another opportunity of sport for the children.

Mini Tennis was the next competition. It was a good afternoon of very close tennis matches, our team narrowly missed out on the semi-finals, finishing second in our group.

The Netball rallies were next for our Y5 & 6's, the A team played at Whitehill and came 4<sup>th</sup>. The B team played at Highover and came 4<sup>th</sup>. A big well done to these teams, showing great sportsmanship and never giving up!

We now have some new equipment in both the KS1 playground and KS2 Playground.

As you know the infant playground has new climbing equipment and the KS2 playground has now got table tennis tables as well as new football goals the children to use, we have also given out new equipment such as balls, rackets, frisbees, etc. to keep the children active over lunch time. As a reminder if children are bringing in footballs from home they are only to be used on the KS2 playground and field and not on the KS1 playground.

### Sports Week!

Sports week is still a while away but planning is in full swing and we are hoping for more events for the children to take part in and also a full day of sports and picnic lunch on Friday 13<sup>th</sup> July. I also want to let parents know that we will be hosting a parent's rounders competition to earn points towards the sports cup! More information will be out closer to the time.
