

Summer term 1 2023 Celebration Assembly

Inspiring all to achieve their best everyday

Inspiring all to achieve their best everyday

Today Lord we gather in your
presence
to honour you and praise you.
We thank you for bringing us
together and loving us.
Let us work hard in everything we do.
Let us achieve our goals here at Our
Lady School.
Amen

Living, Learning and Growing...

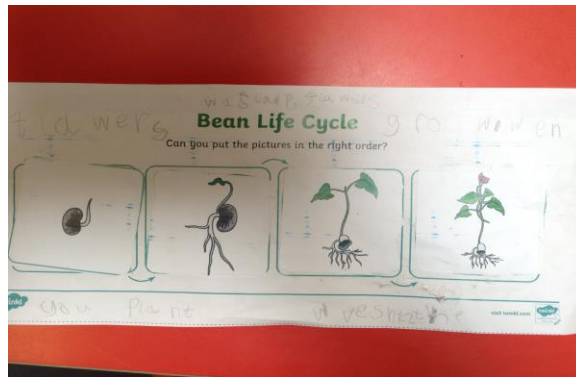

The life cycle of a chicken

After reading 'The Little Red Hen', we have learnt about the life cycle of a chicken.

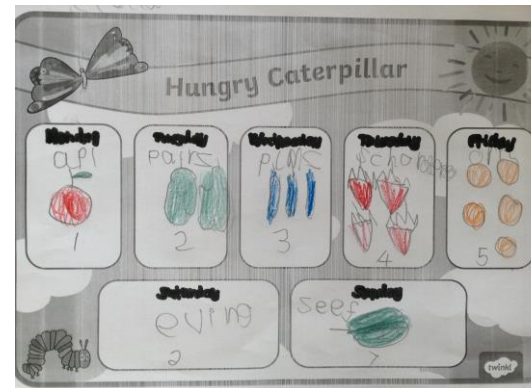

Growing plants

We have sown seeds, planted vegetables and learnt about the life cycle of a bean.

The Hungry caterpillar

We have loved telling the story about the hungry caterpillar and learning about it's life cycle.

Jack and the Beanstalk

We can re-tell the story of Jack and the beanstalk. We made a display to show the characters!

We loved celebrating the King's coronation!

...in Reception

Living, Learning and Growing...

...in Year 1

In RE, we learnt about Jesus' journey through Holy Week including his resurrection. We took part in role plays to retell the story.

We have learnt lots about different animals this year. We made our own bird feeders and put them onto our playground after learning about some different types of birds.

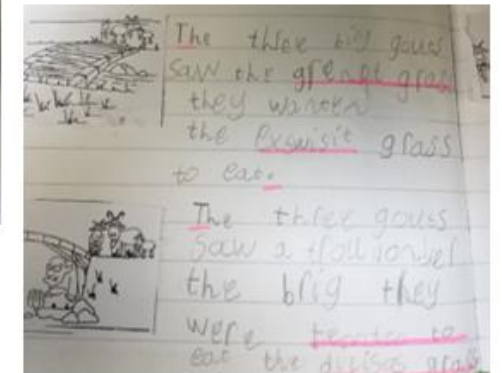

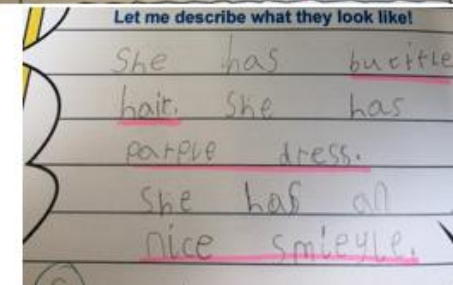

We made delicious fruit salads!

We've learnt all about the Kings Coronation.

In English, we have been learning about Fairy Tales and learnt the word 'adjectives'. We have been working hard to use adjectives in our writing.

Living, Learning and Growing...

We researched sharks and wrote wonderful reports!

In Steps to Read, we have been learning about a different Three Little Pigs story! Therefore, in maths, some children have made 3D houses using a range of materials!

We shared resources and made amazing finger puppets... We had tigers, cats, superheroes, dogs, unicorns and even dragons!

We have prayed to God throughout the term and thanked God for what has been given to us. We are also listening to calm music to help us focus on our learning more.

We are getting prepared to make excellent sculptures! We have been practicing with pipe cleaners. We had to make our little people do different things like running, sitting, jumping and even dancing!

We have completed KS1 SATs!
All of the teachers are very proud of us!

...in Year 2

Living, Learning and Growing...

This half term, we have enjoyed every learning opportunity we had and it has made Mrs Luquet-Gerrard very happy 😊

E-Safety workshop gave us great tips on how to stay online.
Thank you Miss Talbot

We enjoyed having our Coronation celebration party in the hall with all our friends in our school.

Thank you very much Mrs Elliot 😊

We loved having our Cricket workshop last week with Mark on Thursday morning.

Thank you so much Miss Neale and Mrs Kinsella for organising it 😊

We have been going swimming for three weeks and the progress we have made is impressive already but we have not been able yet to come back on time for the assembly 😞

In science, we have learnt about plants. We investigated the perfect condition for plants to grow and if it true that stems transport water in all the parts of the plant.

We have read the famous poem called 'Magic Box' from Kit Wright and wrote our own version of it.

We are looking forward our Roman Centurion workshop the first week back after half term.

...in Year 3

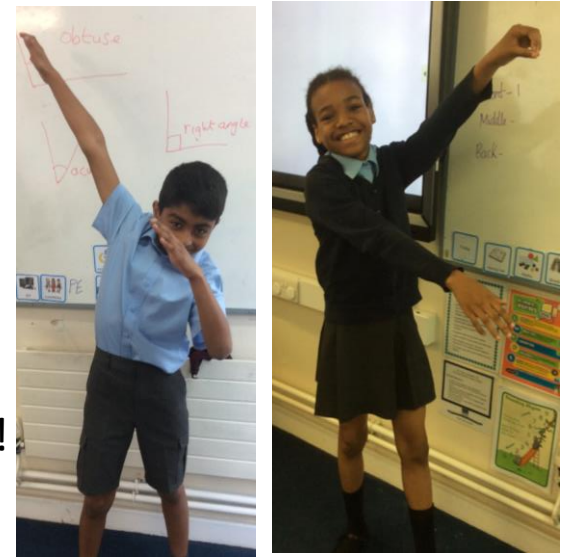

Living, Learning and Growing...

In our Science lessons, we have been learning all about Sound. We created and performed our own TV shows talking all about how sound travels, Mrs Hobbs even came in to watch our performances. We also had great fun creating our own string telephones and testing them out on the playground!

In Maths we learnt all About the different types of angles. We Even used our bodies To create acute, Obtuse and right angles!

In our Art unit This half term We have been Learning About the Famous artist, Andy Warhol.

We had great fun using the 'Befunky' show in the ICT suite to create our own Warhol inspired self-portraits in a range of vibrant colour choices!

In History, we have been learning all about some of the world's earliest civilisations. One of the topics that we discussed was how trade began and where the earliest evidence of money came from. We even turned our classroom into a Roman marketplace where we took on the roles of traders and villagers to buy and sell goods. It was a great way to practice our bartering skills!

...in Year 4

Living, Learning and Growing...

Year 5 loved eating their Big Lunch surrounded by their hand-sewn bunting!

Their DIY flags and crowns made the occasion so festive.

For one day, the corridor was filled with the delectable smell of carrot cake!

Year 5 loved every minute of cooking, and we can't wait to get stuck into more next half term.

Our cricket workshop was lots of fun!

We practiced underarm and overarm throws, batting, and fielding techniques.

...in Year 5

Living, Learning and Growing...

Year 6 have been busy consolidating all their learning! The summer term is always busy in Year 6 with the lead up to SATs and then all the fun that comes after it preparing for the final stretch before Year 7!

We loved eating at the Big Lunch with our buddies!

The Chaplaincy Team took a lead in making a decade of the Rosary with every child in school!

We completed our SATs! Everyone was very happy on Friday once they were done. The Year 6 team were so proud of everyone for trying their best in every test!

...in Year 6

Living, Learning and Growing...

The Kings Coronation 'Big Lunch' - A celebration of our new King and a coming together which brought joy and happiness to OLS

Rosary – Remembering Our Lady, Mary and growing closer to God through our prayers

Stewardship – Eco challenges across the school

Year 6 and Year 2 SAT's – Our children showed resilience and determination to achieve their best.

Cricket workshop – learning new skills and working together.

Welcoming new families to our school – showing kindness and respect.
