

Our Lady Catholic Primary School

Week beginning: 7th October 2019.

Welcome back to our weekly blog! This year it is our job, the House Captains, to bring you the weekly news from the different classes at school! We are very excited to interview the children and teachers each week to see what has been going on. We hope you enjoy!

Daniel, Morgan, G, Eloise, Ugonna, Isla, Matteo, Stephanie.

Reception

This week in Reception we were learning new sounds in phonics. We love singing different nursery rhymes and building creations with the blocks. We love playing cars and drawing pictures. We always play with acorns and role-play. They all love play-dough and reading different books with their buddies. Also, they had a drama workshop on Monday where they all got to be wizards!

By Morgan, Natalie and Ben

Year 2

In Art we have been painting fireworks and we have been learning about bonfire night in History. In Maths we have been subtracting by 11 or 9, we have been acting out The Gruffalo in English. We have been practising our assembly, it was good.

By Daniel, Lucas and Eli

Year 1

This week in Year 1, they have been learning about Andy Goldsworthy and had an amazing witch workshop. They have been making models and love doing their P.E. lessons. They have been doing cheats passes and spider man tag. In the morning and afternoon they have been praying. In Maths they have been learning about teen numbers.

By Morgan, Isla, Dalton and Austin.

Year 4

In English they have been writing a fable and it had to be about if you lie you will have a consequence.

In Maths they have been doing fraction's and number bonds up to 1000. It has been hard!

In computing they have been doing class rules and how to be safe in class.

Bye Isla, Robin and Lachlan

Year 5

This week in Year 5 we have been doing lots of different subjects. In English, we have been doing relative and subordinate clauses. In Maths, we have been doing compact and expanded columns methods. In RE we have been learning about creation and Genesis. In History, we have been learning about the Vikings and in Science we have been doing gravity and Isaac Newton.

By G, Noah and Emma

Year 3

In Year 3 they have been doing time and time intervals. In English they have been making poems and learning about them.

In R.E they have been learning about the creation story and how it took 7 days to make the Earth.

By Ugonna and Luisa

Year 6

This week year 6 have been very busy because all week we have been doing tests. Other than that we have been learning about fractions in Maths and respect in P.S.H.E. But in Computing/Art we have been learning something really interesting, illusions and the artists who use it.

In English we have been writing a setting description and doing SATS papers (SPAG and reading comprehension).

By Eloise and Jake

Guest blog

This week Stephanie interviewed Mrs Ivory-Webb. Mrs Ivory-Webb is our new Reception teaching assistant. Here is what she said:

“I have loved working at this school so far. Everyone was so kind and welcoming to me! I love getting to know all of the children. They all have different personalities! I also enjoy doing all of the fun activities inside and outside. Me and the children work together to learn phonics, which I didn't know until I came here! I really love working here.”
