

# Our Lady Catholic Primary School

Week beginning: 14<sup>th</sup> October 2019.

Welcome back to our weekly blog! This year it is our job, the House Captains, to bring you the weekly news from the different classes at school! We are very excited to interview the children and teachers each week to see what has been going on. We hope you enjoy!

Daniel, Morgan, G, Eloise, Ugonna, Isla, Matteo, Stephanie.

## Reception

This week in Reception they have been learning about God and Adam and Eve. They had a liturgy and sang 'Our God Is a Great Big God'. They love playing in the role-play area and making worlds with play-dough. The Y6 buddies have been reading to them every Friday. Also they have bought in pictures when they were younger. On Thursday they made cards about God.

By Morgan, Mila and Skylar

## Year 2

In English we have been learning about instructions in Maths we are now taking away 9, 10 and 11. In R.E we have been listening to the creation story and we have a new boy joining our class soon. We are excited about having a new friend! We have been doing dance and basketball.

By Daniel, Sam and Caitlin

## Year 4

In English they have been writing descriptions. In Maths they have been learning times tables and creating a posters for the disco. In Science they have been learning about teeth and in art they have been drawing teeth.

By Isla, Dainton, Hiedi

## Year 1

In Year 1 this week they have been doing subtraction in Maths and learnt to write instructions in English.

In RE they have been learning about the Bible and how God created us. They all love reading and making different things with different materials. Lola loves English and Alexa loves RE.

By Matteo, Alexa and Lola

### Year 5

This week in Year 5 they have been doing lots of varied lessons including English, Maths, RE and History. In English, they have been learning about similes, poems and alliteration. In Maths, they have been learning prime numbers and in History we have been doing the Vikings and Saxons. They have had a viking workshop on Friday!

By G, Alanna and Adjures

### Year 3

This week Y3 have been learning about: the Stone Age to the Iron Age. There were 3 different Species. In Maths they have been learning how to add 2 digit numbers. For an example:  $48+32=80$ . In English they have been learning how to order non chronological report. In Science they have been learning about all the parts in the human body. In RE they have been learning about the creation story. (How the Earth was created).

By Ugonna and Joseph

### Year 6

In Year 6 this week we have been doing a variety of subjects, for History we went to RAF Hendon which was very fun. We got to imagine what a classroom was like in 1940. We had such a good time!

In ICT we have been learning about illusionist artists. We had a choice of which ones we could do on the board. Then we made a poster about their life.

In Maths we been learning about fractions and converting them to simpler fractions. We have added and subtracted improper and mixed fractions. It's tricky!

I've really enjoyed this week and would love to do it again.

By Eloise, Toby and Valentina.

## Guest blog

This week Stephanie interviewed Mrs Kinsella about the Y6 trip to RAF Hendon. Here is what she said:

“On the bus, everyone was singing! It was very funny. At last we got there. It was very big and interesting. We split into groups and went around the museum looking at the planes. After we had a good look around, we went to do the classroom experience with was very interesting. It was learning about how children lived in the 1940's. It was hilarious when the air raid siren went off and everyone ducked under the tables! I also loved the interactive part when we got to test all the electronics!”
