

Our Lady Catholic Primary School

Week beginning: 11th November 2019.

Welcome back to our weekly blog! This year it is our job, the House Captains, to bring you the weekly news from the different classes at school! We are very excited to interview the children and teachers each week to see what has been going on. We hope you enjoy!

Daniel, Morgan, G, Eloise, Ugonna, Isla, Matteo, Stephanie.

Reception

In Reception this week they all loved playing teachers, mums and dads. They enjoy playing outside and on the play equipment. They are getting to know their phonics a lot better and writing letters on lined pieces of paper. They can build really big towers with the building blocks. They have been taking home books. They also have a home corner where they do exciting challenges.

By Morgan, Skylar and Mimi

Year 2

In Maths we have been multiplying by 10, this has been one of our favourite subjects. We have also loved English and we have been writing autumn poems. In P.E we have been playing football.

By Daniel, George and Micol

Year 1

In RE, Year 1 have been learning about peace. They have been adding teen numbers in maths. In English they were reading stories. They attended the Remembrance Mass and lastly they were doing phonics monsters.

By Matteo, Storm and Nicholas

Year 4

In Maths year 4 have been learning about subtracting numbers in column method. In English they have been making their own riddles about their own animals. In ICT they have been making posters and in Science they have been making electricity, teeth. In History they have been doing Mayans. Geography they have been learning about the countries in Europe they have also been doing some handwriting. In P.E they have been doing a lot of different sports. They have been working on anti-bulling!

By Isla and Aidan

Year 5

In Year 5, we have been doing lots of different lessons. In English, we have been doing myths legends and fables and in Maths, we have been doing angles. In RE we have started learning about advent to Christmas and in History, we have been doing Anglo Saxons. In Science we have been doing forces and water resistance experiments and in Geography we have been doing countries. Finally in Art we have been doing cityscapes.

By G, Isla C and Derek

Year 3

In English, Year 3 have been learning about how to play football and have also been imagining that a person from a different place came to our school and taught the person how to play football. In Maths they have been using money to subtract and add. In R.E they have been learning about the two creation stories and in Science they have been learning about the body and how it works.

By Ugonna, Daniel and Poppy.

Year 6

In History Year 6 have been learning about air raid shelters and some of us went to the computer room and created a poster. We have a project to do for homework. In English we have been learning about mythical creatures in a field guide. In ICT we have been learning how to do coding and making a figure move.

By Eloise, Eve and Morgan.

Guest blog

This week Stephanie interviewed the Chaplaincy Team. Here is what they said:

“We really liked the Mass. It was very peaceful and calming which helped us to relax. We found it very easy to speak in front of the crowd and none of us were uncomfortable doing it. We loved that we all got to read aloud in front of the school. It was very nice and we enjoyed the offering.”

Thanks to the Chaplaincy Team for allowing me to interview you!
