Well done to our winners
who made an extra special
effort to live out our mission
statement this half term.

On 23rd January the school had a review led by the Local Authority. In the letter that was addressed to parents the key points to highlight were:

-the school is held in high regard by the community it serves

-communication has improved considerably in recent years

-the staff work very hard to serve the interest of the children at Our Lady School

-the leadership and governance of the school is strong

-the behaviour of the children is a real strength

-children with additional needs are well supported

-all children are stretched and challenged in line with their ability

-the children are proud of their school and feel happy and safe there

-the school is accurate in its own appraisal of its strengths and areas for development

The review process and the report were very welcome and it's encouraging to have the progress the school has made, across all levels, acknowledged in such positive terms. Staff will, of course, continue to further develop and refine areas of practice in the terms ahead. Further to this report it was again very positive to have feedback from all parents at consultations this week. Please see results on the next page.

World Book Day

**On 5th March, we
will be celebrating
World Book Day in
school. Children
should come
depicting their
favourite word...
We cannot wait to
see what they are!**

A Year of Making Memories

*To mark the journey through the year,
we will be presenting work from each
term in the school entrance. Come in
and have a look and see what we have
been up to in January and February.*
