

A beautiful January morning
at OLS!

NEWS from the Head

What a busy start to the new term and year it has been! Despite the obvious challenges of partial closure of schools, I am delighted to report we have 100% engagement with remote/in school learning and every child has been able to access the lessons over the past month. Although remote learning does not replace being in the classroom, the efforts to mirror a 'school day' as far as is practical have been phenomenal and very well achieved!

A huge thank you to pupils, parents, staff and governors for all their hard work and commitment so far. Everyone has worked together to make the best of a testing situation and the emotional support to one another that has been the magic ingredient to success. Thank you! Mrs Nicholson

Excellent prayers of thanks and baking from our Year R pupils

Parent Consultations

We have scheduled Parent Consultations for 9th/10th/11th March from 3.30-5.30pm and it is our hope to continue with these as planned. After half term, Mrs Snowball will write to you with details of the format, as depending on the advice at that time, we may not be able to run them as we did in October.

School reopening

At the time of writing we do not have any further details on the return of all pupils to school. It is our aim to have all pupils back on site as soon as is safe and permitted and we will do all we can to give you as much notice as possible of any changes.
