

## English

### Reading

- Pupils will be taught to maintain positive attitudes to reading and develop an understanding of what they read through discussion and by reading for different purposes.
- Pupils will increase their familiarity of reading by reading and discussing an interesting wide range of genres, both fiction and non-fiction.

### Writing

- Pupils will be given opportunities to plan, draft, write, evaluate, edit and improve their work.
- Pupils will improve their writing by assessing the effectiveness of their own and others' work and proposing changes based on their personal targets.

**Themes:** Instruction writing, poetry and narrative writing, explanations and discussions
